Welcome back to a new term and school year!

I hope that everyone had a relaxing and refreshing break. A particularly warm welcome to families of our new Year 7 students. They have made a fabulous start to their time here, finding out all about our expectations and routines. We look forward to their first full week as fully-fledged Stowupland students.

Although the heavens opened this morning meaning we had to quickly move our first full line up and morning message of the year indoors, students were superbly focused and the day got off to a brilliant start.

We check equipment in tutor time every day, including lunch cards, so please help us by ensuring your child has each item with them every day (lunch cards for Year 7 will be issued in due course). A list of equipment required is on our website [here](#)

Finally a warm welcome to staff joining us this September. I wish them every success in their time at Stowupland High School:

Mrs Brooks - Maths
Miss Compton - English
Mrs Deghi - MFL Trainee
Mrs Edmonds - Assistant Progress Leader (Y8/9)
Mrs Evans - Art Technician
Miss Finn - Science
Mr Gardner - Subject Leader Computing
Miss Hender - Second in English
Mr Hitchman - DT/Engineering
Mr Twaits - Maths

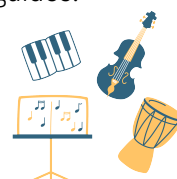

ParentMail/IRIS

This very useful app allows parents to make any payments i.e top up students' lunch accounts, pay for trips, buy a replacement ID badge, revision guides and equipment. Everything that is available to your child will appear under payments/shop. If you are having issues logging-in, please contact Reception.

Currently Year 10s and 11s who study BTEC Sport are able to purchase tops and revision guides.

Instrumental Tuition

We have emailed today all Parents/Carers information regarding musical tuition available at school. Please check your email and email the school if you have any further questions.

PE Curriculum

We have sent out the PE curriculum maps for the Autumn Term via email. These documents outline all the physical education activities planned for your child this term. Please check your inbox for full details.

School Photos

AJS Photographic has taken individual student photos today for our internal school system and parent purchase. Please ask your child for their photo card tonight, which contains a unique QR code to register and view the pictures.
