How does it work?

- There are six Houses and they will compete to win the League each half term. You will be allocated a House and when you win House points they will go toward your House's score.
- At the end of each half term, all of the House points are added up and the winning House announced. Members of the winning House will have a prize, perhaps ice creams or hot chocolate and donuts!

How to win House Points

1. **Winning House competitions** – 6 House points for the winners, 5 for second place etc.
2. **Teachers can award pupils a House point if they produce outstanding work or show any of the following attributes inside or outside the classroom:**
 - Leadership - Making decisions, acting responsibly
 - Organisation - Time management, problem solving
 - Resilience - Showing commitment, working under pressure
 - Initiative – Creativity, helping others,
 - Communication - Presentations, attending meetings
3. **Earning 10 reward points will gain a point for your House** – these will be added electronically to your House's final total
