Boys' and Girls' Football - County Cup update

The Year 8 boys football team played Mildenhall in the 3rd round of the County cup on Wednesday 5th February. It was a very close and exciting game. Mildenhall thought they had won the match when they scored to make it 4-3 with 5 minutes to go. However, Stowupland kept going and managed to score an equaliser in the final minute to take it to penalties. The penalties proved to be just as exciting but on this occasion Mildenhall came out on top. Well done to the team for showing such resilience throughout.

The Year 9 girls football team played East Point Academy in the County Cup on Wednesday 22nd January. The team conceded a goal early on but within a minute, we equalised. Following excellent play from both sides the score moved to 2-2. Unfortunately, just before half time, East Point scored again. Despite multiple shots at goal, we could not find the net and the final score ended 3-2 to East Point. Well done to all of the girls for their valiant play and for getting this far in the Cup.

Year 9 Full Reports

These will be emailed across on Friday 14th February.
