

School Bulletin

Can you help?

We are looking for parents, carers and other members of our community who might be able to give up some time to come and talk to groups of students about their experiences of further education and / or their career. If you would be willing to give up some time to help with this, please email enquiries@stowuplandhighschool.co.uk and mark the email CAREERS TALK.

Year 11 and Year 13 exams

The exam season has started in earnest. We wish all students the very best as they embark on their examinations. We are here to help, so please contact your child's tutor or Progress Leader if you have any questions at all.

Students' achievements outside the school

Last weekend one of our students, Toby Graver, attended the WKU British International Open and came away with two bronze and two silver medals in Karate. Toby has also been selected to represent England at the WKU Championships in Germany later this year.

Well done Toby, we know how hard you have worked!

Please share students' success stories with us! We would love to celebrate their achievements!

Year 11: You've got this!

Wishing you all so much luck in your GCSEs! You've worked hard for this and now it's time to shine. Remember to stay calm and believe in yourself. You've got this! All the best, Miss Brownsell

OMG you can not possibly be sitting your exams already, it feels like only 5 minutes ago I was with you all in Year 7. You are all amazing individuals and I wish you all the best of luck in your exams. Mrs Rolfe

I think I have taught just about everyone in year 11 and you have all had your moments! Now is the time to be really demanding of yourself and show what you can do. The summer is just round the corner and it will be one of the best in your life. Just imagine the feeling knowing you have given your best. We are here if you have any wobbles in the run in- or even during. Stay balanced, stay focused and remember to read the questions carefully! Best of luck if you need it. Mr Douglas

Give everything your best shot, never give up and do yourself proud. Mr Faliveno

Remember to take a deep breath and trust your gut. Miss Wardley

Wishing year 11s every success in their exams! You have worked so hard, now is your time to shine! Mrs Brand

Bonne chance pour vos examens!!! Allons-y !! Mrs D-H

Why go to University?

We welcomed Charlotte Gerard from the University of Suffolk for a wide-ranging talk on aspiring to university earlier this week. Year 9 and 10 parents and students heard about costs, courses, future prospects after taking a degree and many other topics.

Year 8 Parents' Evening

We had a bumper attendance at this event - the second of our face to face Parents Evenings. It is clear that the vast majority of parents prefer this format, and the opportunity to meet with us in person. Thank you to those who attended, and for the positive feedback you gave.
