

School Bulletin

Learning routines

Enabling students to develop good learning habits is an important part of our work at Stowupland. In lessons and around school we promote oracy - the ability to speak well. Students who can speak articulately and with sentences are well prepared for their future. This is why we ask that students use SHAPE answers.

S - using a full sentence

H - speaking with hand away from mouth

A - Articulate your answer - express it clearly

P - Project your voice so everyone can hear (but don't shout)

E - make eye contact with the person to whom you are speaking

We would like students to be confident when speaking to others, so that they can present themselves in a positive way in the future. Please support us by having conversations at home where children use full sentences and speak clearly.

Gardening in full bloom

We have an increasing number of areas in school flourishing with beautiful plants.

Mr Bartholomew's medieval garden, Mrs D'Arcy-Hulusi and her form's food garden and the Mulberry Unit's mixed garden.

the MIX X NO DROP INS

**MONDAY 16TH JUNE
TO TUESDAY 24TH
JUNE**

Due to The Mix running Crucial Crew, there will be no Drop Ins at The Mix Stowmarket, or The Mix Hut in Needham Market between the above dates.

We will return on Thursday 26TH June

Year 9 and 10 exams

These take place this week, please [click here](#) for the schedule.

Please support your child by ensuring they have a pen, pencil, ruler and any other equipment with them for each exam in a clear pencil case, their calculator for the maths and science exams, and a clear water bottle. Clear pencil cases with equipment are available on ParentMail for £2.
