Summer Showcase

We enjoyed a stunning celebration of dance, music and drama this week at our annual Summer Showcase. Congratulations to everyone involved in an impressive show, and thanks to the Performing Arts team for their inspirational work with so many students.

Year 11 Art Exhibition

We have been treated to a superb display of Year 11 Art and Textiles work in the concourse this week. There is an amazing array of talent on display, with some superb pieces which would grace the walls of any gallery. Well done to all of our Art students for such inspiring and enjoyable work.

Wellbeing Week

Each year group enjoyed sessions on wellbeing this week, ranging from Year 7 Bollywood dancing to Year 10 healthy relationships. Please remember we have pastoral staff ready to support individual students with any concerns affecting wellbeing and mental health - use the year group email to let us know how we can help.

Year 11 Prom

More details will be in our end of year newsletter, but we were impressed by the range of transport and the sartorial elegance of Year 11 as they celebrated the end of the year in style at their Prom yesterday evening.

Equipment expectations

It is vital that every student has all the equipment they need in school every day. This is to ensure that they can take full advantage of the learning on offer. From September we will be doing daily equipment checks in tutor time.. Please help us by ensuring that your child has the following every day:

black, blue and purple pen

pencil

ruler

rubber

glue stick

scientific calculator

basic geometry set

highlighter

water bottle

Any questions, please contact your child's Progress Team.

Sports Day

This was an absolutely superb event. Thank you to all parents who came to spectate and cheer on, and well done to our students who competed so brilliantly. It was a real joy to see such determination etched on so many faces.

Two long standing school records were broken - Fitz Eze shaved 0.4 seconds from the Year 9 200m record to finish in a mightily impressive 25 seconds flat, and Dylan Hayward smashed the Year 7 Shot Put record with an immense throw of 8.41m.

Arrangements for September - the new term

Please note that September 1st and 2nd are staff training days, and that Wednesday September 3rd is for Years 7, 11 and Mulberry students only. All students will be in school from Thursday September 4th.
