

Stowupland High School Bulletin

Friday 9th January 2026

From Mr Walker, Principal of Stowupland High School

Principal's Address

Visit our [Facebook page](#) to watch a video summary of this week.

Welcome back to our weekly bulletin, everyone, and Happy New Year to all of our Stowupland families. Despite some inclement weather at the start of the week, the first four days of teaching and learning have gone very well. It has been superb to welcome students back and they have settled very quickly back into the school routines.

Warm, Welcoming and Friendly

We are looking forward to welcoming parents and award winners to our WWF celebration next Monday (Years 7 and 8) and Tuesday (Years 9, 10 and 11). Parents of children receiving awards have been notified and invited, and we would be grateful if you could confirm attendance if you haven't already.

Seneca Premium

A significant positive online experience is provided by Seneca Premium. This is a key platform for homework for a range of subjects. It also helps students revise for tests and exams by offering personalised learning modes that use AI to identify and target their specific knowledge gaps. Additionally, it provides access to a wide array of exclusive resources like exam-style predicted papers, AI-marked exam questions, and simulated mini-mock exams to boost exam readiness. Students can access Seneca Premium using their school log-in details via Google.

Parents can see the following when they access the Seneca Parent platform:

- notifications when homework is set and completed
- weekly summaries of your child's study activity
- your child's current strengths and weaknesses in each subject they study on Seneca

78% of parents are currently signed up on the platform. If you haven't yet, we would be grateful if you could sign up and support your child's Seneca learning.

STOWUPLAND HIGH SCHOOL

Wall of fame

We love to celebrate the achievements of our students. Please get in touch if your child has news to share on our "Wall of fame" via enquiries@stowuplandhighschool.co.uk

Online Safety

The Children's Commissioner has recently published a new guide for parents offering practical tips and advice on supporting their children with online safety, screen time, dealing with negative online experiences and the use of Artificial Intelligence. Children told the Commissioner they want parents to set 'clear, explained boundaries' and they say regular, everyday conversations are key to stay safe online. Please click [HERE](#) to read the guide.

Year 11 changes

There are some upcoming changes to tutor time in the Spring Term. The changes apply to all Year 11 groups and three other tutor groups across the school - the letters went out this morning to all affected by the changes.
