Careers in film industry

Screen Suffolk were in school on Wednesday, speaking to Year 9 students about careers in the film industry. Please remember that all students have access to Unifrog - a careers and destinations platform which can help students find out about courses, careers, universities and jobs which might be of interest. The website can help them craft a CV and sharpen their employability skills for the future. Students should simply visit [UNIFROG](#) and sign in with Google using their school credentials.

The Great Big School Clean

Miss Wardley with a group of students took part in The Great Big School Clean from 13th to 29th March and they picked more bags than they pledged. Thank you to Miss Wardley and all staff and students who contributed to the success of this initiative and filled 16 bags with waste.. A specialthank you and well done go to Annabelle W and Maisie R for their hard work.

Year 11 school photo

Year 11 have their year group photo taking place on Tuesday 28th April.

Year 7 and 8 examinations

Both year groups have end of year examinations coming up this Half Term. Year 7 assessments take place in the week beginning 11th May, and Year 8 are the following week. These will take place in classrooms in exam conditions.

Teachers have been explaining to students what is coming up in each exam, and they are being advised about how to revise effectively. Please support us by ensuring that your child is clear what they have to focus on in each subject, and they set aside time beyond the school day to learn what they need to learn for their examinations.

Clubs and societies

You have received an email about two new clubs starting in the Library this term, but please be aware we have a wide range of opportunities available for students at lunchtime and after school. As the new term begins, please encourage your child to try something new. Clubs are a great way to meet new people, and learn something new as well as boosting mental health and wellbeing. Access the Arbor app to see what is available and sign your child up for a club or activity. To sign up please click on Clubs and select the clubs from the list available to your child.

Duke of Edinburgh

Good luck to our Duke of Edinburgh Silver Award students and staff heading out to North Norfolk this weekend. I hope the weather is kind to you on the expedition. I am very grateful to Miss Holder, Mr Garrett and Mrs Walden who give up their time to provide the D of E programme for students. We are always looking for students to join up, so if you are interested in finding out more about this superb programme please visit the [DofE website](#).
