

Stowupland High School Bulletin

Friday 26th June 2026

From Mr Walker, Principal

Principal's Address

Thank you for your incredible support during this challenging week of high temperatures. Your cooperation helped us keep our school community safe and comfortable. I want to say a huge well done to all of our students, who showed fantastic focus despite the heat. You are all Stowuptastic!

I am also deeply grateful to our dedicated staff for their hard work in these challenging conditions. We remain committed to providing a cool, safe learning environment. Regular attendance is vital for your child's progress, and we strongly encourage all students to attend every day. To help your child stay comfortable, please ensure they bring a reusable water bottle. We are looking forward to a slightly more manageable temperature for the last 3 weeks of learning (fingers crossed)!

Sports Day

We are delighted to invite you to our annual Sports Day on Tuesday 7th July. This is always one of the highlights of the school year, and we cannot wait to welcome you to cheer on our students.

We look forward to welcoming parents and spectators to the school field (near the bus park) from 1:00 pm. Please complete the form if you wish to attend by following this [LINK](#). For more information please refer to the email sent on 18th June.

Year 10 Work Experience

Next week our Year 10 students are engaged in work experience. This is a fantastic opportunity for them to gain valuable real-world skills, explore potential career paths, and build confidence outside the classroom. We are incredibly proud of the preparation they have put into securing these roles, and we know they will represent our school exceptionally well. Please remind your child to arrive on time, dress appropriately for their workplace, and contact both the employer and the school immediately if they are sick or unable to attend. Thank you for your support in preparing them for this exciting milestone. We look forward to hearing all about their achievements when they return!

Transition Days

On Thursday and Friday next week we will be hosting Year 6 students on their transition days at Stowupland High School. These days provide an excellent opportunity for pupils to become familiar with their new school environment, meet staff and fellow students, and begin preparing for a successful transition. We look forward to meeting you and your children during our transition events.

Year 5 Culture Day

Finally we are looking forward to our day of culture for Year 5 students on Monday. This will be, for many, their first visit to the school. I hope they enjoy a superb day. If last year's event is anything to go by, they certainly will.
