Social Mobility Foundation

Social Mobility Fund

Congratulations are in order for Rebecca Scott in year 12 who had secured a place on the prestigious Aspiring Professionals Programme (APP), which is carefully designed to open up professions for those with the ability to join them in the future, but without the means or networks to get there. The Social Mobility Fund aims to give young people a real insight into top professions, and to provide them with the skills needed to achieve their aspirations. Rebecca has her sights firmly set on being a doctor and will be attending a week long residential in July.

Final Assembly & Sixth Form Ball

Plans are in full flow for the Sixth Form Prom on the 13th July at Kersey Mill. The Prom Committee have worked tirelessly to organise this, showing excellent organisational skills and fundraising skills. This included a delicious cake sale last term, which was very popular with pupils and staff alike.

As year 13 enter their final week of formal education, celebration is in the air. On Friday 17th May we will be holding our final assembly which will reflect on successes and experiences of the last 2 years, as well as what the future holds for all of our fantastic year 13. In addition we will also be awarding formal subject prizes, the Director of Sixth Form Award for 'service above self' and the Headteacher's Award for academic excellence.

Dates for your diary

17th May	Year 13	Start of study leave
6th June	Year 12	UCAS fair Ipswich
28th June	Year 12	Data Drop 3 on Go4schools

Year 12 'Next Steps'

The focus of our next Deep Learning Day in July will be on 'Next Steps', to help students make informed decisions about their lives after Stowupland. The day will comprise of the following topics and talks:

1. How to apply to university - the process
2. Higher level and degree apprenticeships - what are they, and how to find one
3. Writing the perfect application
4. LinkedIn - why start your profile now
5. Careers Advice - who, where, when

This day will be delivered in conjunction with our partner University (University of Suffolk) and NEACO, who are an outreach organisation. They are specialists in inspiring young people to stay in education post 18, whether that be the traditional route of University or degree level apprenticeships.

Important Dates

Wednesday 6th June - UCAS Higher Education Fair at the University of Suffolk. This is an opportunity for students to meet and talk to representatives of all universities in the UK. This will be organised as a school trip.

Wednesday 11th July - Parent information evening about your son/daughter's 'Next Steps,' including applications and student finance.
