Dear Year 6 students

I hope that you are looking forward to joining us in September – I know that we are all excited to meet you!

The current Year 7s have joined together in their tutor groups to write a letter to all of you in your new tutor groups.

They have included some 'Top Tips', what they think is good about Stowupland High, and they have included information on what you can look forward to, when you join us.

Please just remember that most students haven't been in school since March and some things have changed – their letter includes details of what Year 7 was like *for them*. For example, they had the Quad outside area to themselves – bubbles and zoning means that this is unlikely to be the case for you in September.

On a real positive – they give you lots of useful tips on what to do if you get lost. Don't panic - you probably won't because you will stay in the one zone of the school with the other Year 7 tutor groups!

What won't be any different is the fun that you will have, the new friends you will meet and the ways that everyone will help you.

Have a wonderful summer and I look forward to welcoming you all to Stowupland High School in September.

Best wishes
