The slides from the meetings will be made available on the website - 'Transition to High School' tab.

Data Collection Forms

If you have not yet returned your data collection form, please do so before the end of the summer term. You will be receiving a second copy of this in the post, if we do not already have one from you.

Forms should be returned to the school office.

Thank you.

Correspondence from the Current Year 7s

One of the best ways to find out what High School is like is from those who are already here! As tutor groups, our current Year 7s are composing letters for the new Year 7s to read. These will be available on the school website.

Keep an eye out for the one that has been written to your new tutor group.

10% School Uniform Discount

Inces of Stowmarket are offering 10% off school uniform purchased before 31st August.

Further details and an order form are available on the school website -Transition to High School tab.
