Year 6/7 Transition Newsletter (4)

Transition Zoom Meetings

It was wonderful to see so many of you on Monday and Tuesday evening last week for the zoom meetings. Across both evenings, over 140 families joined us for the presentation from myself and Mr Whear and then the tutor meetings. The bubble of excitement from the children was great to hear!

If you were unable to join us, or perhaps had technical issues, recordings of the tutor meetings, along with the presentation of the slides used, are now available on the school website.

Summer Reading Challenge

Our school librarian, Mrs Burns, has set the Year 7 students a summer reading challenge. Complete all tasks and you will be entered into a prize draw!

Further information is available on the school website—Transition to High School tab.

Eedi Maths Summer School

We shared a link with you at the transition meetings for a free maths summer school. Unfortunately, this has been so popular nationwide that they have stopped taking any more bookings—for the time being. There is the opportunity to be added to a reserve list, if you wish to. I am currently looking for an alternative and any suggestions will be posted on the website.

IMPORTANT Information for September

A letter to Parents and Carers regarding arrangements for September has been sent out. If you are not signed up for Parentmail yet, this letter will also be available on the school website.

Zoom Assemblies

Mr Whear and I really enjoyed the zoom assemblies that were held last week. It was wonderful to see the students in their Year 6 classrooms and they had really good questions to ask us—so mature and polite too. Many thanks to the Year 6 staff who helped to facilitate these assemblies.

And Finally...

Having been here for two weeks now, I can honestly say what a pleasure it has already been to 'meet' many of you and your children.

I am genuinely excited for September and I already sense that your children are going to be delightful to work with.

Wishing you and your families a sunny, restful and happy summer break and I look forward to welcoming you to Stowupland High School in September.
