

Politics A Level @ Stowupland High School

Power is at the heart of politics. If you want to understand who holds it and how they exercise it, this could be the course for you.

What do we cover?

Politics is essentially about how relationships between the people and those in charge are managed.

Where does power lie, both nationally and globally?

How are decisions made?

Do we have a democracy?

Are all humans treated the same globally, and if not, why not?

These questions make up the essence of the course coupled with the political philosophies of conservatism, liberalism, socialism and nationalism.

Entry requirements

Grade 5 in English, History or Religious Studies
