

Satchel One – Show My Homework

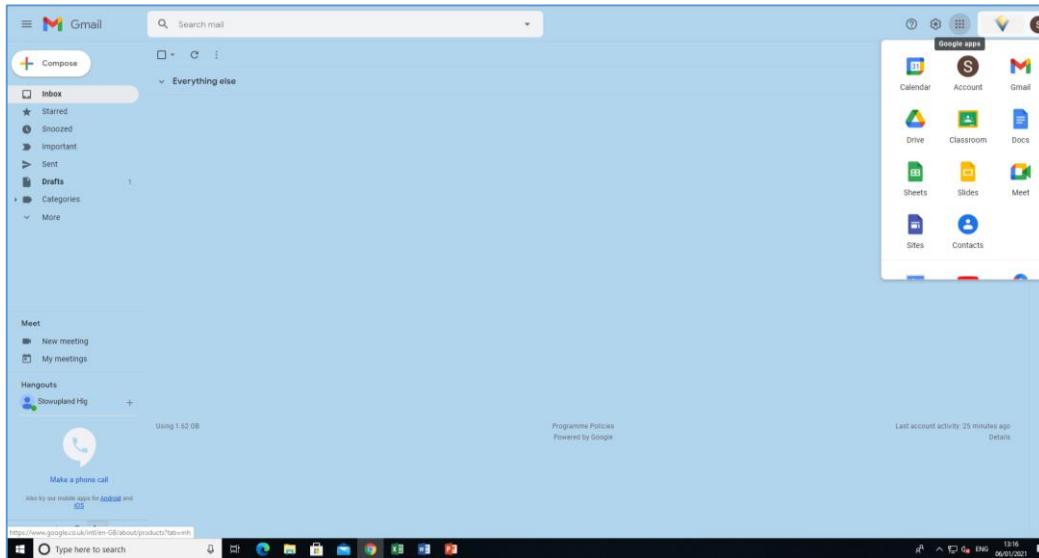

The best way to access this is with your **school** email address:

Format: first initial/surname/year enrolled@stowuplandhighschool.co.uk

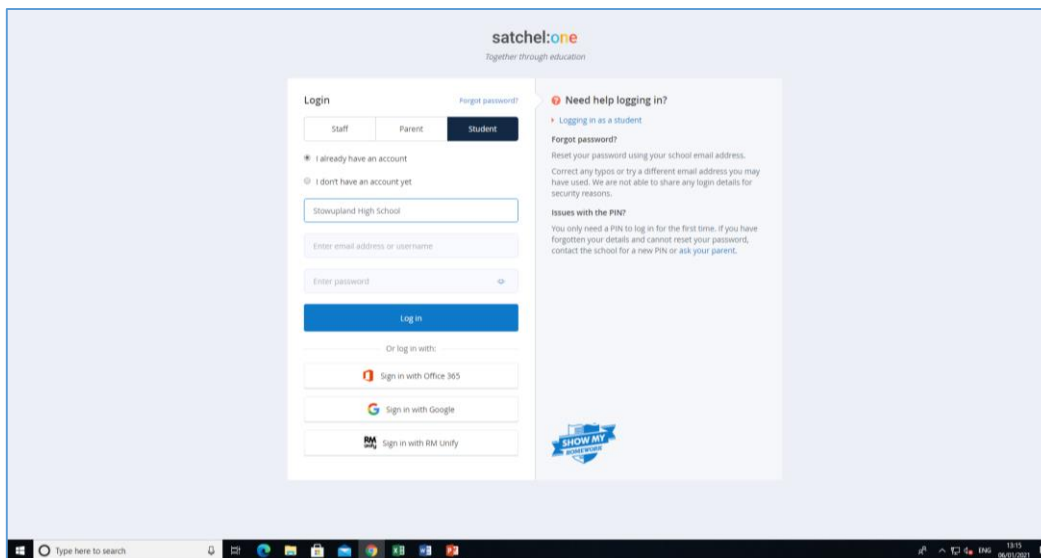

e.g. Asmith18@stowuplandhighschool.co.uk

If you are unsure of your child's email or do not have the password please contact passwordreset@stowuplandhighschool.co.uk

Once you have this and are signed in to Gmail you will then have access to the Drive & Classroom:

On a separate tab open Satchel One and select the box *sign in with Google*:

Once logged in to Satchel One, if you have any problems accessing other programmes, e.g. Seneca (science), Bedrock (English) or Hegarty (maths) please message the teacher who set the work through the discussion tab within the piece of homework set.
