

All About Me!

Year 6-7 Transition Project

Summer Term 2021

Stowupland High School

Dear Year 6

For your transition project we would like to find out all about you. The project can be presented in any format and you can be as creative as you wish! There are a few ideas below to help get you started but these are not the only options. Your project doesn't need to include art work but bear in mind that it should be presented as if it were going on display.

You need to include information about yourself: likes, dislikes, proud moments, achievements, hopes and dreams, favourite place to be, important dates, favourite thing about Primary school. Anything that relates to you - the list is endless. You can also include information about family (including pets) and friends, if you would like to.

Your finished work should be no bigger than A3. Please bring it with you on our first transition day - Monday 5 July. You will be able to share these with your new form tutor and your new friends.

We are very much looking forward to learning all about you and welcoming you to Stowupland High School.

Mrs Cook, Year 7 Progress and Transition Leader
