

Suffolk's SEND Strategy 2021 -23

We have created a new Strategy for children and young people with special educational needs and disabilities for 2021 -23.

We want to know what you think about our Strategy.

Please answer the questions on the next pages to tell us what you think.

Easy read booklet

We have worked with people who already use our SEND services and decided that:

- **We want children and young people with SEND to have all the opportunities they need to be happy, healthy and do well in life**
- **We want to make sure families can get the help they need when they need it**

Question 1: Do you think this is a good idea?

Please put a mark in the box.

Yes

**Not
Sure**

No

We will know if we are doing well with our Strategy by:

- Children and young people with SEND doing well in all parts of their lives

- Children, young people and their families telling us they can get the help they need when they need it

- Children, young people and their families telling us the help we give them is getting better

- Children, young people and their families telling us that they trust what we do
