

Stowupland High School

Job Title: Teacher of Science
Salary: MPR
FTE: Full time
Job type: Permanent
Start Date: April or September 2022

We are looking to recruit an enthusiastic and forward thinking Science teacher to deliver stimulating, rigorous teaching to students at KS3, GCSE and possibly A Level.

Our 11-18 school is growing and is at a very exciting stage in its development. We are the lead school in the John Milton Academy Trust and opened our new, dedicated Sixth Form building in January 2021. You will be joining a close-knit team and a Trust that is committed to ambition, aspiration and excellence for all.

ECTs are welcome to apply.

Our teaching and learning culture is built on high expectations and evidence-bound practice to secure the strongest possible outcomes for all students.

We pride ourselves on our:

- inclusive and friendly school community
- boundless enthusiasm and positivity
- strong commitment to CPD including our induction programme for new staff

This is an excellent opportunity for an ambitious practitioner who has a real passion for Science to make a significant contribution to the Stowupland High School community.

Potential applicants are welcome to contact us via slewis@stowuplandhighschool.co.uk to arrange an informal chat or to arrange a visit (COVID restrictions will apply).

Application and contact details:

Full details of the post and an application pack are available on the school website or by contacting the school on: slewis@stowuplandhighschool.co.uk

Deadline for Applications: 8 February 2022, 9.00am
Interviews: w/c 14 February

Please note: We reserve the right to interview any suitable candidates prior to 22 October 2021.

Stowupland safeguards and promotes the welfare of students and requires all staff and visitors to share this commitment. Pre-employment checks are required for all successful candidates.

The John Milton Academy Trust is an established Trust located in Mid-Suffolk. The Trust anticipates that it will be able to attract families and students by providing education in small, inclusive schools, but ones which can provide a wealth of curriculum opportunities and experiences leading to the highest possible standards of achievement. As the educational landscape undergoes significant change, JMAT wishes to establish a strong reputation building on the success of its constituent schools so that parents, carers and students regard the John Milton Academy Trust as the first choice for academic excellence and personal development.
